## **Point scoring system**

Points are awarded as detailed below with the standings being kept by the award secretary, however it is the entrants responsibility to ensure that their car is registered and entered for the trophy, and to ensure all events entered, together with their results, are sent to the secretary. Please claim your points as soon as possible, any claims not filed within three months of the meeting may not be considered and no claims will be considered after the end of January of the following year. Throughout the year the current standings will be published in the Midget Register notes within Safety Fast, with the complete results in the Register Newsletter published in February.

All MGCC organised events count for points ie: Race Meetings, High Speed Trails, Auto-Cross, Concours d'elegance, Driving Tests, Trails, Rallies, Road Runs, Social Events, Sprints and Hill Climbs.

At any competitive event requiring a competition licence, for example a race meeting, any number of events can be entered each event counting for points. Furthermore a car can be driven by more than one driver in such an event, and each entry will count, the points being credited to the car not the drivers.

For each event entered started and finished: 3 points (1 extra point if the car is driven to the meeting)

All social meetings, main club, centre or register organised earn points. In addition if there are competitions within these meetings these too claim points e.g. road run, gymkhana, pride of ownership, treasure hunt or concours d'elegance.

For each event entered started and finished: 3 points

All local events, organised either by a centre or local natter group earn points: 1 point for each event entered and started.

Members who are involved with an event as an official either as an event organiser, team member or marshal can claim points if they use their Midget or Sprite on the day: 3 points

Extra points in multiples of 2 will be awarded for the variety of types of event competed in, ie: One type of event = 0 points; Two types of event = 2 points; Three types of events = 4 points; Four types of event = 6 points; and so on, to nine types of event = 16 points - the separate types of event being:

- Concours (including Pride of Ownership)
- Racing (including High Speed Trials)
- Driving Tests (including Gymkhanas)
- Trials ('Classic' or P.C.T.)
- Rallies (including road runs)
- Auto-cross
- Sprints
- Hillclimbs
- Marshalling/Organising

## **Registering**

By contacting the championship secretary with whom all cars must be registered, providing registration number and chassis number. When claiming points please, where available, provide evidence of entry and starting, using the results or finishers lists.
